

To the Midlands Mission Center Conference:

Whereas, the Chihowa Board of Directors is concerned about the condition of the east wall of the caretaker's home, and the health and safety issues its current state presents to the residents, and

Whereas, competing bids have recommended that the east wall, windows, doors, siding, electrical and drywall be totally replaced, and

Whereas, Chihowa does not have funds immediately available to pay for the work,

Be it resolved, that the Midlands Mission Center approve a onetime loan of \$13,000 to make the necessary repairs to the east wall of the caretaker's residence.
