

Dear Midlands Mission Center,

As a Mission Center we are attempting to raise \$16,000 in funds for our 2010 Historic Caravan. We realize that this is a significant investment in our youth. Senior High Youth throughout the Mission Center are involved in fundraising activities. However raising monies through car washes, preparing lunches, bake sales, etc...alone, will not make our goal of \$16,000. We need YOUR help.

The Caravan requires all of us to donate. We are ALL in this together. There are currently 3,921 members in our Mission Center, with friends (non-baptized) there are over 5,267 individuals and 795 priesthood listed in our congregations. If all priesthood donated \$20.16 each or all members donated \$4.08 or if all, individuals donated \$3.04 we would reach our \$16,000 goal. We have over 50 teenagers interested in attending this life changing camp.

**Please help make this ministry happen!**

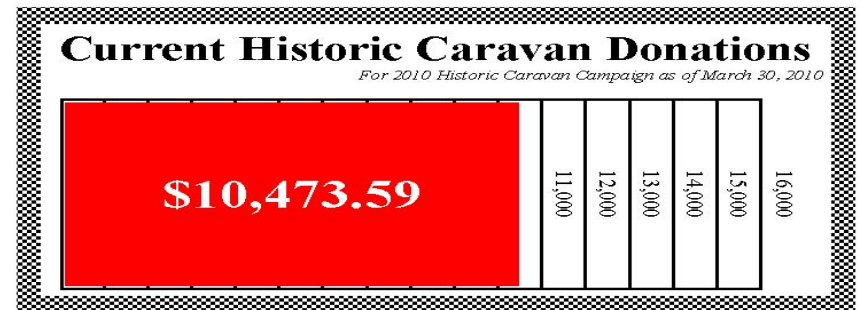

*Since MC Conference was cancelled, the youth fundraiser did not happen. Please consider contributing the amount you would have donated for lunch on March 20 to the Youth Historic Caravan. Simply mark your offering envelope with Youth Historic Caravan or send a check marked in the memo "Historic Caravan" to Midlands Mission Center. The youth thank you for your generosity.*

Many women today do not wear aprons, but remember someone special who did/does. Aprons have strings, pockets, and attitudes. Some are pretty and used just for special occasions. Some are thread-worn – holding

special stories and love. Are you spiritually still holding on to apron strings, afraid to let go and let God move in your life? Or is your apron a cover-up, hiding fears and questions? Come find the answers to these and many more facts about your spiritual life and how it relates to aprons.
