## What is TWIST?

Youth from all over the mission center have been gathering together during quarterly TWIST weekends. Although these events have a lot of time built in for fun and socializing, the main goal of their time together is **T**eens **W**orking **I**n **S**ervice **T**ogether.

This means that Saturday is a day of service. They either help the congregational members from the church where they are staying or move into the community to volunteer locally. Everyone comes away from the experience touched in one way or another.
