Introducing Mission Center Support Specialists

The President Team is pleased to announce Emily Hartford and Shelly Twitchell as the first to fulfill this new role in the mission center. We thank them for volunteering their time, energy, and expertise to the camp directors, youth council, and other pertinent responsibilities.

Emily attends the University Congregation with her husband, Daniel, and their four young children. She grew up in Southern Illinois, earned an education degree at Graceland, and spent time in Australia both for World Service Corps and as a church employee before settling in Lawrence, KS. She has attended church camp in almost every role possible and looks forward to sharing her experience and knowledge.

Shelly is in her 11th year in education, currently teaching English at Lansing High School. She and her four children, ages 12 to 23, recently moved to Kansas from Greenfield, IA. They attend the Leavenworth Congregation. As a stay-at-home mom previously she worked at every youth camp and activity possible. She loves hearing other people's stories and sharing herself about God's grace and love.
