AROUND THE MISSION CENTER

Living in community means intentionally building relationships and supporting one another. We will create a **database of events** happening in our mission center to help us connect. You may email emilyhartford@sifsim.com with any sporting events, concerts, competitions, recitals, congregational events, or fun things you and other CofC friends will be doing together, especially as they relate to our children and youth. Please include the name of the event, location, time, and who we will be supporting.

Please take a moment to fill out a **survey regarding campgrounds and the camping program** in our mission center. We would appreciate input from ALL mission center members, whether you have participated in camps/reunions or not. We welcome your ideas!
