CAMPGROUND CORNER

The pandemic has been exceptionally difficult for both Chihowa and Lake Doniphan Retreat Centers. Rentals are few and far between, yet expenses continue. Helping hands are always welcome!

Chihowa: aaron@campmitiog.org Doniphan: katelin@lakedoniphan.com

At Chihowa, seasonal employees and many volunteers have worked to complete necessary repairs and various improvements such as securing the grounds and buildings, installing environmentally friendly LED motion lights, repairing the playground equipment, bringing safety features up-to-date, and undergoing an overhaul of the lagoon system so it meets state requirements. An exceptionally cold weather snap caused pipes to freeze and burst. Fortunately, the water had been turned off and countless volunteer hours repaired all the damage.

Chihowa's wish list includes painting the pool, pouring concrete in the equipment garage, installing LED parking lot lights, and painting the west side of the main lodge. Also, the caretaker's house needs indoor repairs.
