JPAT Book Study

"Warmth of Other Suns" by Isabel Wilkerson

7–8:30pm Thursdays 7/6, 7/20, 8/3, 8/17

From 1915 to 1970, nearly six million black citizens fled Jim Crow laws in the South to seek greater opportunity and freedom in the cities of the North and West. Isabel Wilkerson, the first black woman to receive the Pulitzer Prize in journalism, tells the story of this Great Migration by tracing the lives of three individuals in moving detail, interspersed with the historical context of the time. Tom Brokaw describes her work as "an epic for all Americans who want to understand the making of our modern nation." More information: www.jpatkc.org.
